)

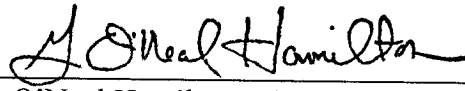

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Midlands Utility, Inc. (Midlands or the Company) for approval of an expansion of the Company's service territory in Richland County.

We are now entertaining the second request for this Commission to carry the matter over. Accordingly, the matter shall be carried over to our November 21, 2006 meeting. However, based on previous filings in the docket, it seems to this Commission that the parties have had sufficient time to resolve this issue or request a hearing.

If Midlands plans to proceed with this request, it should provide the ORS with any requested information by Wednesday, November 15, 2006, and ORS should thereafter provide the Commission with a statement of its position prior to the date of the Commission's November 21, 2006 meeting.

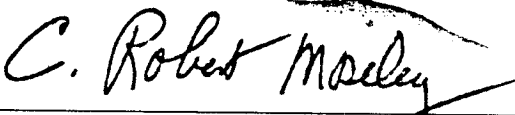

This Order shall remain in full force and effect until further Order of the
Commission.
